The following bills have been introduced in the legislature for the 2007-08 legislative session. The deadline for introducing most bills for the 2007 legislative year is February 23, 2007.

<b>Bills Amending the Political Reform Act</b>		
<b>Bill # (Author)</b>	<b>Title</b>	<b>Date Introduced/Amended</b>

<b>AB 65 (Dymally)</b>	<b>PRA: legislative caucuses</b>	<b>I-12/04/06</b>
------------------------	----------------------------------	-------------------

This bill would specify that a member of the Senate or Assembly may make payments of up to \$5,000 to each recognized Senate, Assembly, or Senate and Assembly caucus as expenditures associated with holding office. These expenditures would have to be reported to the Chief Clerk of the Assembly, the Secretary of the Senate, or both the Chief Clerk of the Assembly and the Secretary of the Senate by the following January 15. The bill would also prohibit a person from making, and a Senator or Assembly Member from receiving, a contribution of campaign funds intended for a caucus. **Status: Introduced in Assembly**

<b>AB 78 (Torrico)</b>	<b>PRA: interest on campaign accounts</b>	<b>I-12-04-06</b>
------------------------	-------------------------------------------	-------------------

This bill would require all committees regulated under the Political Reform Act (Act) to establish campaign accounts, report certain information on those accounts, and transfer the interest earned on the account to the State Treasury. The funds collected by the State Treasury on these accounts would be continuously appropriated to the commission for carrying out of its duties under the Act. This appropriation would be in addition to those appropriations already provided in the Act. The interest from accounts that relate to ballot measure campaigns would go into a subaccount to be spent solely for regulating ballot measure campaigns. **Status: Introduced in Assembly**
